Summit Announces Addition to Executive Staff

Executive Addition Made to Support Operational and Financial Growth

ATLANTA — August 15, 2007 — Today Summit Systems, Inc. (SSi) of Buford, Georgia announces the addition of Gary Tapp as Chief Financial Officer. Gary was formerly Sr. Accounting Manager at Network Communications, the largest organization in their market in North America. The addition comes in a series of strategic additions to support and to further re-enforce the financial and operational capabilities, positioning SSi for rapid growth.

Tim Gorisek, Sr. Vice President stated “We are very fortunate and pleased to have the opportunity to work with such a seasoned professional. Gary brings many years of experience to Summit that will be instrumental in preparing us for the future. Mr. Tapp’s knowledge, approach to perfection, diligent attention to detail, and the commitment to the success of the organization insures Summit’s back office services and financial operations will be high quality, and have the capabilities to absorb and manage through the fast growth.”

Summit Systems, Inc. (SSi) is a privately held, Georgia based professional solutions provider with an impeccable reputation for quality and consistently providing a positive customer experience. SSi provides a unique combined offering with complete service solutions in Audio Visual Systems, Structured Data and Voice Communications, and Power Systems.
