## **Summit Announces Addition to Industry Council**

### *Summit Executive Joins Top Industry Council*

**ATLANTA — July 15, 2007** — Today Summit Systems, Inc. (SSi) of Buford, Georgia announces Tim Gorisek, Sr. Vice President has been accepted to and will participate as a member of the InFocomm Systems Integration Leadership Council (SILC) formerly known as Sound, Audiovisual, and Video Integrators Council (SAVVI).

Tim Gorisek, Sr. Vice President stated “I am truly excited to have Summit Systems represented on this council and to devote my time to this group with these seasoned professionals. Summit Systems is honored and prepared in every way to participate and provide support for this group and our industry. “

InfoComm International’s Systems Integration Leadership Council (SILC) creates an environment to provide focus on professionalism, business needs, and technical excellence within the systems integration community. InfoComm International® is the leading non-profit association serving the professional AV communications industry worldwide.

Summit Systems, Inc. (SSi) is a privately held, Georgia based professional solutions provider with an impeccable reputation for quality and consistently providing a positive customer experience. SSi provides a unique combined offering with complete service solutions in Audio Visual Systems, Structured Data and Voice Communications, and Power Systems.
