Tim Gorisek Joins Summit Systems

Strategic Addition Expected to Fuel Growth Rate

ATLANTA — February, 2007 — Today Summit Systems, Inc. (SSi) of Buford, Georgia announces the addition of Tim Gorisek as Sr. Vice President and equity partner. Tim was formerly Regional Vice President of Southern Business Communications, a Summit Systems competitor. The addition comes as a prequel in a series of strategic additions to support and to further re-enforce the rapid and strategic growth rate SSi has been experiencing in all of it's core business units, particularly within the Audio Visual Systems Group. Tim Gorisek will join Summit Systems, Inc. officially on February 16, 2007 and will report to Michael Kinsey, President, founding and majority partner of Summit.

Michael Kinsey, President stated "Today is a very exciting day for Summit Systems and Tim Gorisek. The addition of Mr. Gorisek and his capabilities to our organization, keeps us ahead of our plan, and accomplishes a key strategic objective. Tim shares our strategic market vision, commitment to the success of our employees and key manufacturer partners, quality, and our sense of urgency we place on the customer's experience with SSi. Tim will be a perfect addition to our organization, complementing our strong professionals and dedicated culture at Summit."

Summit Systems, Inc. (SSi) is a privately held, Georgia based professional solutions provider with an impeccable reputation for quality and consistently providing a positive customer experience. SSi provides a unique combined offering with complete service solutions in Audio Visual Systems, Structured Data and Voice Communications, and Power Systems.
